SUBJECT: Residential Burglaries

SUBMITTED BY: Edward Kahler, Chief of Police

The information provided below is for informational purposes only. In order to protect the privacy of the victims and to prevent legal problems prosecuting the actor(s), we will not provide specific information related to the investigation(s).

We are presently investigating ten unsolved residential burglaries/attempted burglaries. The burglaries have occurred on Evans Drive, Griggs Drive, Holmes Road, Station Road, Plainsboro Road, Bergen Drive and Stockton Drive. All the unsolved burglaries took place from February of this year to present.

The suspect(s) have entered through unlocked doors and windows in most cases. In the most recent burglaries, the residents were home when the burglaries occurred. The burglars stole tools, computers, pocketbooks and wallets in most cases.

Residents can protect themselves and their property by locking their doors and windows, turning on their lights, turning on their alarm systems and reporting suspicious persons or vehicles in their neighborhood. Information on securing your property and other crime prevention tips are available on the Cranbury Police Department/ Crime Prevention web page. http://www.cranburytownship.org/police_news.html

We are using every resource at our disposal to solve the recent burglaries. I am confident, with your diligence and cooperation that we, as a team, can solve these burglaries.
