For the next few days, traffic from George Davison Road will be diverted through the center of town between 9:00 AM to 4:00 PM.

Northbound traffic will be detoured from George Davison Road north to east on Cranbury Neck Road, then north onto South Main Street to continue north on North Main Street, and then west on Plainsboro Road to George Davison Road where the detour will end. Increased traffic volume can be expected.

The detour is the result of the installation of a pipeline and the repaving of George Davison Road.
