**HEALTH REPORTS**

**See attached**

The Board reviewed the substance of the May 2017 Health Report and the Environmental report for April 2017.

**May:**

Stay Bridge Suites – food rated conditionally satisfactory after the hot water was corrected and plans were provided for kitchen construction. They were issued summons for using a hotel room for food prep and for not providing plans for new kitchen wall and equipment. Cranbury Township Construction Department contacted the Suites.

Cranbury Swim Club – pools not maintained; pool covers need attention; owner treating diving pool; main pool full of amphibians; Middlesex County Mosquito Commission contacted.

Licensing – Court cases continued; fines and court costs assessed

**OLD BUSINESS**

Licensing – According to Ms. Bujalski, every township cat has been licensed, and all dogs should be licensed by now. (See health report notes and attached report)

**NEW BUSINESS**

Ordinance – No Smoking in township Parks - Second Reading – Township resident, Mr. Bauder, appeared to express his concern that the ordinance covers only a few township parks and preserves and that Sustainable Jersey credit cannot be obtained without all parks being included. Mrs. Bauder expressed concern that because Reinhardt Forest Preserve was not included, there is a danger of forest fires. Mrs. Coyle noted that the ordinance is including four parks because of the Township Committee’s recommendation and can be amended if the Board sees reason to in the future. Dr. Roychowdhury commented there are concerns of enforcement and signage to consider. Mr. DiFiglia expressed his support for the ordinance as written, noting that the ban should keep cigarette butt pollution from entering waterways. He also noted that Sustainable Jersey points are incentives and the goal of the organization is for committees to work together, which occurred with the creation of this ordinance. The Board encouraged the Bauders to speak with the township Environmental Commission, who applies for Sustainable Jersey points.

The ordinance was read and passed on a motion by Sid Roychowdhury; seconded by Laura Collins Zurfluh. All were in favor. Motion carried.

**APPLICATIONS** - None of consequence.

**PUBLIC COMMENT** – See Ordinance notes.

**ADJOURNMENT OF MEETING**

There being no further business, the meeting was thereupon adjourned at 7:38 p.m. on a motion by Roop Grewal, seconded by Sid Roychowdhury. All were in favor. Motion carried.
