

Cranbury News

VOLUME 19

WINTER 2006

ISSUE 4

LETTER FROM THE MAYOR

Allow me to begin by wishing all of you a Happy and Healthy New Year.

I am honored to serve as your Mayor in 2006, and I look forward to working with my able colleagues, as well as with our exceptional township staff and professionals. It is especially reassuring to know that the management of the township will be in the capable hands of our new Township Administrator, Tom Witt. With his professionalism and good cheer, Tom will work hard to make sure that the functions and communications of the Township are coordinated.

This year, we are pleased to welcome back to the Township Committee, Wayne Wittman. With his past experience, knowledge and history, Wayne will be a valuable addition to the group.

Cranbury Township has always been fortunate to have many talented and dedicated resident volunteers who give of their time to serve on our various boards and commissions. We welcome new volunteers this year, and thank all of you—past and present—for your hard work on behalf of the community. You are the people who make our town a great place to live and work.

As we look forward to accomplishing our goals for this year, Township Committee will face many decisions that impact our future. We welcome and value the input of our residents and urge all of you to stay as informed as possible. Please visit our township website, cranburytownship.org, and register for updates so that you can stay on top of current issues. Local government like ours has the great advantage of being inclusive. Your input really can make a difference.

The first goal of the year is to address the 2006 budget. Many budget items tug at our purse strings, not the least of which is the high cost of energy. We are committed to managing expenses and to reviewing each line item in making the prudent, but often-difficult choices.

This year we will be moving ahead with the property revaluation. Over the course of the process we will be sending you communications to keep you informed along the way. As always, our staff and professionals stand ready to answer your questions and address your concerns.

The township will also be moving ahead with the long awaited baseball field on Wright South. The site is presently undergoing soil remediation to make it safe for recreational use. Once this has been completed, we can begin the actual field construction. Estimated to be in use by spring, 2007, the field will be a wonderful addition to our recreation inventory.

I am also pleased to report the success of the Cranbury Crawl—our initiative to slow traffic in the township. Many residents have already noticed a significant change in vehicle speed, as well as in increased police activity. We will continue to use any and all measures to make our roads safe.

With our dedicated staff and wonderful base of support, we should accomplish great things in 2006. Historic Cranbury deserves no less!

Thomas F. Panconi, Jr., Mayor
Richard Stannard
Pari Stave
David J. Stout
Wayne K. Wittman

Lions News

First and foremost, the Cranbury Lions Club would like to thank everyone in Cranbury for their support and donations during 2005. Through our various fundraisers, the Cranbury Lions collected approximately \$20,000, the bulk of which has been distributed or donated to 35 local charitable projects and organizations, including the Cranbury School's Quest Program, the Cranbury Scouts (Boy, Girl and Cub), the Cranbury Educational Foundation, both the Fire and First Aid Companies, the Historical Society, Cranbury Little League, Cranbury Recreation Committee, Cranbury Food Bank, the Princeton Post Prom Party, the Cranbury Arts Council, Friends of the Library, and the Golden Age Neighbors of Cranbury.

A lesser percentage of the donations we receive go to help Regional organizations, some of which include three summer camps for blind and handicapped children, Debora Hospital, the Juvenile Diabetes Foundation, both local Eye Banks, Recordings for the Blind and Dyslectic, MAVIS, and St. Joseph's School for the Blind. And, of course, this year we did our small part to help in the global efforts to aid the victims of both the Tsunami and Katrina.

With the Cranbury Lions' 75th Anniversary coming up next year (June, 2007), we have begun to research when some of our longest running activities began, finding that we have been facilitating the Memorial Day Parade since 1958, the same year we began hosting the Children's Halloween Party, and that our Annual Pancake Breakfast began on December 7, 1947; we are proud to continue to host a Trenton Thunder game for Lions and Cranbury residents, participate in the Drug Free Fair, and host our food stand and the ice cream cart on Cranbury Day. This year, as we have for so many years, now, we provided poinsettias to the "winners" of the Holiday House Decoration contest, awarded prizes for the Peace Poster Contest (this year's First Prize Winner was Jessica Zhang), and chose a recipient for the Stan Thomas Citizenship Award. We provided for a number of student loans, two scholarships, and sent a high school Junior to the World Affairs Seminar. And, of course, we held our annual Golf Outing, solicited donations for our White Cane Drive, and collected toys during our annual Toys For Tots Drive.

And we'd certainly be remiss if we didn't thank the Town for using our "Used Eyeglass/Hearing Aid" Drop Box", in front of the Cranbury Public Library; this year, with your help, we collected nearly 2000 pairs of eyeglasses!

All of these were successful and/or possible due to the participation of all our friends and neighbors in Cranbury. We try to keep the "fun" in fundraiser and hope to add a new event this year – an Art Auction. Details will be in the Cranbury Press in the near future.

The Cranbury Lions Club is always looking for new members who would like to give back to the community by volunteering some time to help the disadvantaged, and to work within the community for the benefit of the community. Prospective members can contact any Cranbury Lion for an application.

Once again the Cranbury Lions Club would like to thank all of Cranbury for your support, we hope you've all had a Happy Holiday Season, and wish one and all a healthy, happy and prosperous 2006.

Progress toward Environmental Goals

The Environmental Commission was quite active in 2005, and good progress was made toward our goals for the year. Some highlights:

Environmental Resources Inventory – We secured a grant and hired expert consultants to prepare an Environmental Resources Inventory. This digital catalog will be a critical resource for the Township. The Environmental Commission will use it to determine whether environmental resources are present in areas proposed for development, and to evaluate what protection should be provided for those resources.

Cranbury Brook Preserve – Nature programs led by the Stony Brook-Millstone Watershed Association were held in January and October. A message center is being installed along Main Street to promote enjoyment of the Preserve. We are working with the U.S. Natural Resources Conservation Service to develop a Preserve Management Plan.

Water-Quality Testing – We secured a grant to continue our program of surface-water testing. We are planning to test samples from Cedar Brook during wet-weather conditions.

Soil-Testing Program – A soil-testing program was established in conjunction with the Rutgers Soil Testing Laboratory. Soil-testing kits are available for free to township residents (call 395-0900 ext. 229). The test results enable homeowners to eliminate unnecessary application of fertilizers and pesticides on their lawns.

Vehicle-Washing – A new initiative addresses the environmental effects of washing cars. An educational flyer was developed and distributed. Environmentally safe soap and storm-drain protectors were purchased and provided to volunteer groups holding fundraising car washes.

Participation – We began the year with four vacancies on the Environmental Commission, and we actively recruited new members. But you don't have to wait for a vacancy or be a member to help preserve the environment in Cranbury. Visit our new web pages at cranburytownship.org, then come to an Environmental Commission meeting and get involved in one of our projects for 2006!

The Gourgaud Gallery

Within the next month or so, if it hasn't happened by press time for this newsletter, the Cranbury Arts Council will assume artistic responsibility for the Gourgaud Gallery (pronounced Gor Go), located in the Cranbury Town Hall, through an administrative lease with the Township. The Arts Review Committee (ARC), which has overseen the operation of the Gallery since it's rededication in 2001, will reorganize under the Arts Council as The Gourgaud Gallery Committee (GGC), and continue its efforts to provide Cranbury with a Center for the Arts. New monthly exhibits will continue to open with an Artist's Reception, in the Gallery, every First Friday. The First Friday Artist's Receptions are generally from 6PM to 8PM (individual artists may hold their receptions until 9PM); the Artist's Receptions are free and open to the general public.

In addition to exhibiting two and three dimensional art, there are plans for the Gourgaud Gallery to feature as many art forms as possible or practical, including a small concert series, demonstrations of artistic technique, lectures, and classes. While the exhibit schedule will continue on a monthly basis, these additional events should begin after the transfer of the Gallery takes place; please consult the Cranbury Press for appropriate time schedules.

Anyone wishing to exhibit in the Gourgaud Gallery may obtain an application in the Gallery or via e-mail at arcchair@cranbury.org

The exhibit schedule for the next few months is as follows:

- **January** – *To Be Named*
- **February** – *"Young At Art IV" – Student Artists From Cranbury*
- **March** – *Jack Frobieter – Photography*
- **April** – *Watercolorists Unlimited – Exhibit Title to be named*
- **May** – *Zenna Broomer – Oils*

The Gourgaud Gallery is open Monday – Friday from 9AM to 4PM, and on Sunday from Noon to 3PM; First Friday evenings from 6PM to 8PM; Open Saturday by appointment, only.

ARC is seeking community minded individuals who would be interested in helping the Gallery through a "Friends of the Gourgaud Gallery"-type organization, which, as part of the Arts Council, would work specifically toward the betterment of the Gallery. The purpose of the Friends of the Gourgaud Gallery is to help support the Gallery by assisting in obtaining viable artists, in all mediums, to show their works in the Gallery, and by fundraising, through which, necessary equipment, accoutrement, and supplies may be purchased for use by the Gallery. Interested individuals may contact Bob Virgadamo, the ARC Chairperson, by phone at 395-7050, or via e-mail at ARCChair@cranbury.org.

A CHAMPION TREE

Which tree is the largest in New Jersey? This question is frequently asked by children and adults alike. The answer depends on how you measure a tree and what part you measure.

Current candidates in the New Jersey's Big Tree are ranked by just one measurement—the circumference of a tree. This big tree list is published and put out in booklet form by the New Jersey Forestry Service, a Department of Environmental Protection Division of Parks and Forestry Service. Using this single measurement, the winner is a silver maple located in Baskin Ridge, Bernards Township.

Cultivation of pawpaws as a fruit tree was once tried, but the fruit is eaten by wildlife nowadays. The name pawpaw comes from the Arawakan name for papaya but is unrelated to the papaya tree.

Cranbury's Asimina Triloba: The "Pawpaw Tree" made it onto the New Jersey's Big Tree list. Located on the vacant CHA lot on Maplewood Avenue—the new cut through to Village Park. Cranbury's Pawpaw Tree is worth seeing!

CALL FOR ENTRIES

The Gourgaud Gallery Committee is planning a retrospective of works from artists, who, over the last 25 years, have been students of Mrs. Tamara Woronczuk. The GGC is seeking artwork, in all mediums and formats, for an exhibit being planned in the Gourgaud Gallery during June 2006. Works may be in any 2- or 3-dimensional medium. Artistic mediums may include (but not be limited to) watercolor, oils, acrylics, hard or soft pastels, pen and ink, and pencil drawings (including architectural and landscape drawings). Applications for art submissions may be obtained at arcchair@cranbury.org. ARC will accept up to two entries from each applicant. All works will be chosen through jury selection. Applications must be submitted to the GGC by or before April 15, 2006.

Free Rabies Clinic

The Board of Health will sponsor a free rabies clinic for Middlesex County residents for both cats and dogs, on Saturday, April 22nd, from 12:00 to 2:00 pm at the Cranbury Firehouse on South Main Street.

An amendment to the dog license regulation (N.J.A.C. 8:23A) has been added for all dog owners. In order for a dog license to be issued, the owner must show proof that the duration of immunity of the rabies vaccination extends through at least 10 months of the 12 month licensing period. Annual dog licenses are renewed every January at Town Hall.

Effective March 1, 2006 **New Jersey's Bicycle Helmet Law** will change. Young people under the age of 17 will be required to wear an approved helmet when cycling, roller skating, in-line skating, or skateboarding. The law currently affects riders under the age of 14.

Ice Skating on Brainerd Lake

Cranbury's Department of Public Works would like to remind residents that skating on Brainerd Lake is permitted when the **green flag** is displayed at the Main Street entrance onto the lake.

Also, the ice skating/hockey rink has been installed and waiting freezing temperatures! The rink is located in Village Park. Skating is on a first come, first serve basis.

Parents, please keep in mind that you supply supervision for your child for his/her own safety.

ALSO REMEMBER THAT

**IF THERE IS NO
GREEN FLAG,
THERE IS NO SKATING!**

Recycling Christmas Trees

Beginning Wednesday, January 4, 2006 and every Wednesday throughout the month, the Public Works

Department will be chipping discarded Christmas trees. If you would like to use this service, please be sure to place your tree at the curb by Wednesday morning with all tinsel, garland, ornaments and lights removed. These items, if not removed, could damage personnel or equipment.

Public Works Keeping you informed

In addition to the chipping of Christmas trees, the Public Works Department will be chipping branches, weather permitting, and will have pick up of all white goods on the following dates:

White Goods Pick Up

January 11
February 8
March 8

Chipping

January 18
February 15
March 15

Please remember that should you require a White Goods Pick Up, it must be arranged by calling 395-0900 ext 229. The cost is \$10 per item and must be scheduled at least one week prior to the pick up date. White goods are defined as any household metal appliance such as stoves, washers, dryers, refrigerators, hot water heaters, and grills less the propane tank.

Spring Leaf Pick-Up

The spring leaf pick up has been scheduled to begin on Monday, April 4th ending Friday, April 28th. Residents should place leaves between the sidewalks and curbs for the leaf machine to pick up. Kindly remove any branches, vines, grass clippings and other debris from the leaf pile. These materials could potentially clog the leaf vacuum or interfere with leaf composting operations.

To ensure the safety of children who may play in the leaf piles and in order to allow for proper drainage in the event of rain, leaves should not be placed in the streets or over storm drains.

**To report a street light outage
call the Cranbury Twp. Police Dept. at 395-0031**

SPRING CLEAN UP DAY

The semi-annual Cranbury Clean Up Day has not yet been scheduled. More details of this popular date will be in the next newsletter.

SNOW, STORM SEWERS, AND FIRE HYDRANTS

As the snow season approaches, it is important to remind residents that have a storm sewer or fire hydrant near their home, to keep them essentially clear of snow, leaves and other debris. Doing so will prevent non point source pollution from entering the storm system, which leads into our precious waterways. By keeping the fire hydrants clear, this enables the volunteer fire fighters to easily access them, should the need arise.

FROM THE HUMAN SERVICES BOARD

Cell phones which can only make emergency calls to 9-1-1 are available to senior residents of Cranbury Township through the Cranbury Police Department. If you are in need of ones of these phones, please call the Cranbury Police Department at (609)395-0031.

Donations of used cell phones can be dropped off at Town Hall. If you have the cell phone charging units, remember to included them. Please call Rosemary at (609)860-0430 if you have any questions.

Recreation Update

T-BALL

T-ball for boys and girls ages 4-6 will be held on Wednesday evenings starting in late April and running through early June. All participants will meet at Millstone Park from 6:00-7:00 p.m. All players will be placed on teams and will practice and scrimmage against the other teams. Basic baseball instruction will be taught. Parents must be prepared to help out on the field.

YOUTH GOLF LESSONS

The Cranbury Recreation Commission will be sponsoring Youth Golf Lessons for students in grades K-8. Lessons will be conducted at the Applegarth Golf Center, located on Applegarth Road, and will be taught by PGA Professional, Rick Bichsel. The lessons will be held on Tuesdays starting late April and will continue for four weeks.

SPRING SOCCER

Cranbury Recreation is planning a spring soccer program for Cranbury children ages 5-8. Watch the local media for more information regarding this program.

Summer Camp Registration Begins March 20th

The Cranbury Recreation Commission is pleased to offer the opportunity to register for both the Summer Day Camp (for students entering grades 1 through 7) and Little People's Program (age 3 to entering Kindergarten). Registration packets will be available at both the Recreation Office and the Library. The programs will be held for eight weeks tentatively starting on June 26th and ending August 18th. This year camp will once again be held at the Cranbury School. The Day Camp hours are 8:30 am to 3:00 pm with the Little People's Program running from 8:30 am to 12:00 noon. Camp activities include swimming, sports, games, arts & crafts, trips and more.

SPORTS CAMPS

Cranbury Recreation also offers various sports camp in the summer months. Previous camps include basketball, tennis, multi-sports and soccer. Watch the local for more information regarding these programs.

For more information regarding any Recreation Department offering call 395-0900 x 231.

CRANBURY PUBLIC LIBRARY WINTER PROGRAMS

THE CRANBURY PUBLIC LIBRARY MISSION STATEMENT

Our community's interests, love of reading and life-long learning, and commitment to our children drive the Cranbury Public Library.

As the community's knowledge service center, the library is a welcoming setting offering information, a diversified collection of books and recreational media, helpful staff and innovative technology.

Have you looked at the new CPL Website? The old website was updated this past fall to prominently display the link to our Online Catalog for use in the library and at home. **Yes, now Cranbury patrons can search, renew and reserve materials online.** Book jackets, reviews and other content information are displayed on the Details page for each item. If you stop in the library, staff will show you how to use the new Online Catalog to access and manage your accounts. In addition, the new website should be even easier to use with pull-down menus used to keep the pages clear and simple. And yes, each page was updated too. So Check out the new CPL website www.cranburypubliclibrary.org.

UPCOMING LIBRARY EVENTS

**Cranbury Public Library
Celebrates it's Centennial: 1906-2006
Centennial Events**

SLiC presents World Culture Days - A program for all ages. Today's topic is **Egypt**. *Jan 8 • 1:00 pm*

Traveling to Peru - Cranbury travelers to Peru in the summer of 2005 will share photographs/stories about their trip. *Jan 27 • 7:30 pm*

Mozart Birthday Weekend - Details to be announced. *Feb 3-4 • tba*

SLiC presents World Culture Days - A program for all ages. Today's topic is **Scotland**. *Feb 5 • 1:00 pm*

Brothers Grimm Improv - A program for Teens *Feb 11 • 7 pm*

Beyond Busyness: Finding Balance in Today's Hectic, Time-Pressured World with Dr. Eileen Kennedy-Moore *Feb 17 • 7:30 pm*

Pre-School to 8th grade Read-a-thon *Feb 25 • all day*

SAVE THE DATE! CPL Birthday Party *March 31 • all day*

Our Preschool Story Hours are

Monday at 10:30 AM with stories
told by Julie Hardaker.

Thursday at 10:30 AM with stories told by Mr Z.

Story Hours are held in the
Tom Gambino Meeting Room.

We've changed CPL's **PAJAMAS STORY HOUR** to the **FIRST TUESDAY** of every month at **7:00 pm**. Bring the kids

in their pj's *to hear bedtime stories told by Mr. Z in the Library's Meeting Room. The next three PJ story hours are: January 3, February 7 and March 7, 2006. The next time you're in the library stop by the Circulation desk and get the Pajamas Story Hour flyer listing all the dates for 2006. *Of course, children can come to Pajamas Story Hour in their street clothes! Parents too!

Parents: Bring your elementary school age children to **CPL's READING BUDDIES CLUB** on Wednesday from 7:00 -7:45 pm at the Library. The Reading Buddies Club is a high school community service project now in its third year that pairs elementary students with high school students who act as partners and mentors. For details and questions, contact Marilynn Mullen at the library (655-0555) or e-mail buddies@cranburypubliclibrary.org

Have your children tried out the two new computers for children called **Early Literacy Stations**. Packed with developmentally appropriate software that crosses curriculums from preschool through second grade, each Early Literacy Station has programs on Reading, Writing, Math and Problem Solving, Science, the Arts, Social Studies, Computer Skills, Reference...**WOW!!!** Thanks to the Friends of CPL for their generous gift that helped make this door to a lifetime of learning available to the boys and girls of Cranbury.

You can say *Thank You* to the Friends of the Cranbury Public Library for all they do for the public library by joining them for a little as \$10 a year. Membership forms are available at the Circulation Desk of the library. *Learn who the Friends Are...What the Friends Do...and How you will benefit from Friends Membership...*

For example...

The Friends of the Cranbury Public Library is considering sponsoring a trip to the Franklin Institute in Philadelphia for the **Tutankhamun and the Golden Age of the Pharaohs** Exhibition. The Exhibit is currently in Fort Lauderdale FL and is scheduled to appear at the Franklin Institute from February 3, 2007 through September 30, 2007. For more *King Tut* information, check out www.kingtut.org. Ticket prices have not been set for the Philadelphia show, however the prices in Fort Lauderdale are \$25-\$30 for adults, \$22 for children between the ages of 6 to 17, children under 6 are free and seniors tickets (over 65) range from \$27.50 to \$22.50. Group rates will be available. Before the Friends commit to ordering any tickets they would like to know if there is any community interest. There is a sign up sheet in the Library for any interested Cranbury residents.

And _____

The Museum Pass Program...Cranbury Public Library adult cardholders may check out free passes to 4 of the Area's most popular museums: *Children's Museum of Manhattan, Grounds*

REMINDER:

When snow is predicted, kindly move your vehicles, basketball hoops, trash cans, etc. from harms way. This will allow the snow plowing trucks to do their job efficiently without causing damage to personal property.

Household Hazardous Waste

Middlesex County has scheduled seven Household Hazardous Waste (HHW) drop-off dates in 2006.

The first date is Saturday, March 18, 2006 at the Middlesex County Division of Highways, 750 Jernee Mill Road, Sayreville, NJ 08872 8:00 am to 2:00 pm.

The second date is Saturday, April 15, Middlesex County Division of Highways, Apple Orchard Lane (off of Rt.130), North Brunswick, NJ 08902, 8:00 am to 2:00 pm.

For more information, visit the Public Works Department or Recycling on the Cranbury Township website www.cranburytownship.org. Follow the links for acceptable items and directions to either of the sites.

Paint Recycling Program

During first four Saturdays of every month in 2006, this popular paint drop-off program has scheduled north-

ern and southern county locations for your convenience. Please visit the Public Works Department or Recycling on the Cranbury Township website www.cranburytownship.org. Follow the links for acceptable items and directions to either of the sites.

Residential Disability Emblem Program

The New Jersey Division of Fire Safety is proud to provide uniform symbols (emblems) to identify homes of residents who need assistance of a special nature.

Two emblems are now available which will provide a uniform means to identify homes to all first responders. One emblem is for oxygen or oxygen delivery systems. The other is for those with disabilities that may require special assistance.

The Division of Fire Safety in the Department of Community Affairs will distribute these emblems free of charge, upon proof of special need to all NJ residents that apply.

Emblems are to be posted by front entrance doors of all residents who are either disabled in some way or on oxygen or an oxygen delivery system. Additional emblems may be placed where that person is stationed or sleeps.

Blue emblems indicate disability. Green emblems indicate oxygen in use.

Please contact the Fire Official at 395-0900 ext.238 for an application.

LIBRARY continued from page 6

for Sculpture, American Museum of Natural History, Liberty Science Center. Check out a pass to any museum with your library card—just like a book. For details, stop in or call the library at 655-0555.

If you have ideas, suggestions, compliments or complaints, we want to hear from you! You can e-mail Howard Zogott, Director, Cranbury Public Library at director@cranburypubliclibrary.org

HIGH SCHOOL STUDENTS
