**What's the largest boys' organization in Cranbury?  
What's the largest boys' organization in the U. S. A.?  
What's the largest boys' organization in the whole world?**

The answer to all three, of course, is Scouting. The excitement starts out for Lion Cubs in Kindergarten, and continues for Tigers in the first grade, Wolf Scouts in the second, Bear Scouts in the third, and Webelos Scouts in fourth and fifth grades – and that's just the Cub Scout program. It gets better every year. Here in Cranbury, **Cub Scout Pack 52 is proud to offer boys this special opportunity** for good fellowship, good sportsmanship, and good citizenship. Ours is a family-oriented program including many field trips and outdoor activities, as well as good turns in our community. Now is the time to join us.

This is a particularly exciting time to join us. **B.S.A. has recently updated and modernized the whole Cub Scout program. There are lots of great new adventures to try.** Come learn about them and do them.

Learn more and join at our Scout table on Main Street on Cranbury Day, Saturday, September 9, and at our Parent Orientation Night in the Scout Room (downstairs in Cranbury Town Hall) on Wednesday evening, September 13, any time between 6:30 and 8:00.

Please join us at our **Kickoff/Cookout/Campfire/Camp out** at the **West Property** at **3:00 Saturday afternoon, September 23.** Camping is optional, but sure is fun.

Dues will be \$75 for this year -  
\$65 for additional Scouts in the same family, and for Webelos II Scouts.
